SMALL THINGS MATTER

### **FROM A DIFFERENT POINT OF VIEW**

There are many things **around us** that are thought to be **ordinary** just because we usually **see** them anywhere and they do not have something new to be shown to us. As a matter of fact, there are many **details** and **secrets** that are **hidden away** from our eyes. If you would just zoom in *from a different point of view*, a whole new world opens up!

*Anouk: "In this age of fast social media, it is just magical for me to pause for a moment and take a closer look - everything has its own beauty and is often overlooked."*

## THE BEAUTY OF SALT & PEPPER!

There are **many things** that are taken for **granted**, because they are **so common** and we see them all the time. As a matter of fact, there are **beautiful details** and **secrets hidden!** If you would just **take the time** to really **look**, a whole *new world* opens up!

*This Dutch spice set with blue glass was found in an old cupboard at the 18<sup>th</sup> century country estate het Huys ten Donck. Wouldn't it be lovely to know what secrets and stories this pepper and salt set must have picked up dinner after dinner century after century?*
