The matchbox label is rectangular with a red border. At the top, the text 'SÄKERHETS TÄNDSTICKOR' is written in a bold, black, sans-serif font. Below this, 'PARAFFINERADE' is written in a smaller font. The central part of the label features a black silhouette of a swallow bird in flight, which is also the subject of the adjacent image. To the left of the bird, there is a circular logo with a profile of a man's head and the text 'SVALAN' and 'DIE SCHWALBE'. To the right, another circular logo features a profile of a man's head and the text 'THE SWALLOW' and 'DE ZWALUW'. A red and white striped banner with the words 'TRADE MARK' is positioned between the two circular logos. At the bottom of the label, the text 'MANUFACTURED AT UDDEVALLA' and 'TÄNDSTICKSFABRIK, SWEDEN.' is written in a bold, black, sans-serif font. The entire label is mounted on a piece of light-colored paper held by two silver paper clips.
